Any additional info will be available from the Class' website as well as on the revived [www.halftonclassicscup.com](http://www.halftonclassicscup.com). And of course by means of our regular newsletters...

Needless to remind you that we count on you all to make it a yet again unforgettable event. The Class board is investing a lot in creating the perfect regatta circumstances and social events.

Is Nieuwpoort too far away for you? Then please remember that Nieuwpoort halftonniers have traveled as far as Dun Laoghaire, Kinsale, Saint-Quay-Portrieux and Hankø. So if it is possible for Belgians, then the distance can't be an obstacle for many amongst you.

Are there cute regattas in your sailing area at the time of the HTCC? Then please check where in the world you have the opportunity to race against a fleet of 20-30 other halftonniers with some boats quite similar to yours...

There are not many reasons why you should not take the time and effort to join us!

### **Membership fee**

You can only participate at the regatta when you have paid your membership fee...

The fee of 100 EUR is to be paid by bank transfer only, to:
