# Life at the Half Ton Class

And we're back now!

With some developments in  
Belgium, France and Norway

# Life at the Half Ton Class

In Belgium, Tom & his boatyard have plenty to do with the refits of Fantasy, Halfonce (ex-Alf), Beetle Juice, Waverider, Petit Izoï, ... not to forget that M'Half Raz is also doing/waiting for more than some cosmetics

# Life at the Half Ton Class

In France the Half Ton fleet is having a new start with Nicolas Lunven & Paul Meilhat (both sailing in the Transat Jacques Vabre, on other boats).

They are actively contacting owners and plan to have separate Half Tonner divisions in some major regattas in Brittany, like f.i. the Spi Ouest, the 100 Miles of Concarneau, ...

# Life at the Half Ton Class

In Norway / Grimsoy area,  
Martin Kamperhaug of the MK Båt shipyard  
managed to gather a fleet of now over 20+  
boats

A Norwegian team is looking for a boat to  
take part in the 2022 HTCC in Cowes.

# Life at the Half Ton Class

The background of the slide features a close-up, low-angle shot of the Irish flag (Gaeilge) waving in the wind against a clear blue sky. The flag's green, white, and orange horizontal stripes are prominent, with the white stripe in the center and the green and orange stripes on either side. The flag is slightly tilted, giving it a sense of movement.
